Dear Miss Watson,

Re: PIR Education Issue 35

I have had a close look at Issue 35 as you requested. I would like to offer the following points:

1. An informative 'easy read' edition.
2. Easily scanned by interested staff.
3. Usually found in staffroom.
4. News / products of interest to a wide range of staff colleagues.
5. Visually attractive in layout.
6. Front cover does give 'mixed message' over riding purpose of issue (advert perhaps too dominant)

If I can be of further help, please let me know.

Yours sincerely,

John Meaney,
Headteacher
